History

2008 - Knysna

The inaugural Ghost Tour took place in Knysna in September 2008, with 7 members. Due to the uneven numbers the team element was done away with and an individual tournament was arranged. Courses played were Pezula Golf Club, Knysna Golf Course, Bramble Hill and Plettenberg Bay.

2009 – Garden Route

The second tour again headed along the Garden Route and had 8 members. The team event was introduced and won by Google Hackers, competently led by Hector Mc Beth. Courses played were Pezula Golf Club, Goose Valley Golf Club, George Country Club. A fourth game was scheduled at Kingswood Estate but it was called off due to inclement weather.

2010 - Johannesburg

The third Ghost Golf Tour was moved to August because of the Football World Cup. We played Royal Johannesburg East Course, Reading Golf Club, Ebotse Golf Club and Glendower Golf Club. The Google Hackers proved far too strong and the team event was settled after the first three days. The final day was highlighted by a three-way tie for the individual player of the tour.

2011 – Durban

By 2011, our Tour Group had grown to 14 members. We travelled to Durban where we played Durban Country Club, Mount Edgecombe, Beachwood and Umhlali Golf Club. Once again, the team event was dominated by the Google Hackers. We also had our first Ghost tour hole-in-one with Deon achieving this at the 18th at Beachwood.

2012 – Sun City

In 2012 we had a fantastic opportunity to play a course that we've all grown up watching on television, the Gary Player Country Club at Sun City. We were fortunate enough to base ourselves at Sun City and also played Pecanwood Golf Course on the way to Sun City. Whilst there we also played the Lost City Golf Course. Although the tour only consisted of three rounds we still played out our own version of the Ryder Cup. For the first time the event was a tie between the Google Hackers and the Gophers. Another first was for the two captains, Andrew and Deon H, to pick their players on the evening prior to the golf round which added an extra element of fun and competition.

2013 - Hermanus

In 2013 the Gophers, under the leadership of Justin, secured their first outright victory in five attempts. We played Hermanus Golf Club twice, Arabella Golf Estate and Kleinmond Golf Club. A really good trip with some fantastic courses.

2014 - George

Kingswood Golf Club
George Golf Club
Simola Golf Club
Mossel Bay Golf Club

2015 – Port Elizabeth

Port Elizabeth Golf Club
St Francis Links
Humewood Golf Club
Wedgewood Golf Club

2016 – Hermanus

Erinvale Golf Club
Hermanus Golf Club
Araballa Golf Estate
Hermanus Golf Club

2017 – George

Montagu – Fancourt
George Golf Club
Oubaai Golf Club
Outeniqua - Fancourt

2018 – Hermanus

2018 saw a return to Hermanus and the addition of the challenging 9-hole course in Gansbaai – where a lot of balls were lost. The other courses played were Kleinmond, Arabella and holes 10 to 27 at Hermanus. The new Handicap Index system (which had only been in place for a few weeks at this time) resulted in some confusion about the handicaps but it was cleared up relatively quickly. On his first tour, Jason captained the Google Hackers and led them to victory.

Golf Courses – 2018

Gansbaai

212 Perlemoen Street, Kleinbaai, Gansbaai

028 384 1441

-34.618406 S 19.348965 E

The Gansbaai Golf course is a nine-hole golf course with sea views across to Dyers island from most of the scenic fairways. The course has a links type layout and offers a good challenge also for experienced golfers. We pride ourselves on our outstanding greens, which is the envy of many other visiting golfers. Lately a new irrigation system was installed with our own borehole water and this makes a considerable difference to the condition of the fairways during the dry months.

The location of the golf course is unique – it is the southernmost golf course in Africa. You need to play here to add this to your ultimate golf bucket list. And you may just decide to hang around for more games as this course tends to grows on you.

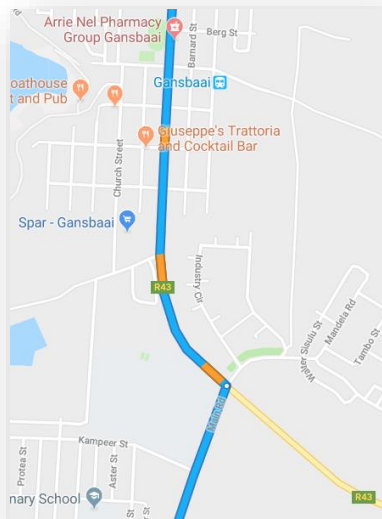

We pride ourselves as well on our typical Gansbaai hospitality which you can further experience at the club house. During the past year an additional barbeque room was added to the existing club house. On Friday evenings we have barbeques with the steak evening on the last Friday of each month. You need to book for this as it is becoming increasingly popular.

The champagne air, the smell of fynbos and abundant bird and animal life makes this golf course an experience not to be missed. We do hope to welcome you at the club for a lovely game of golf, or alternatively to relax and enjoy the surroundings in a convivial setting.

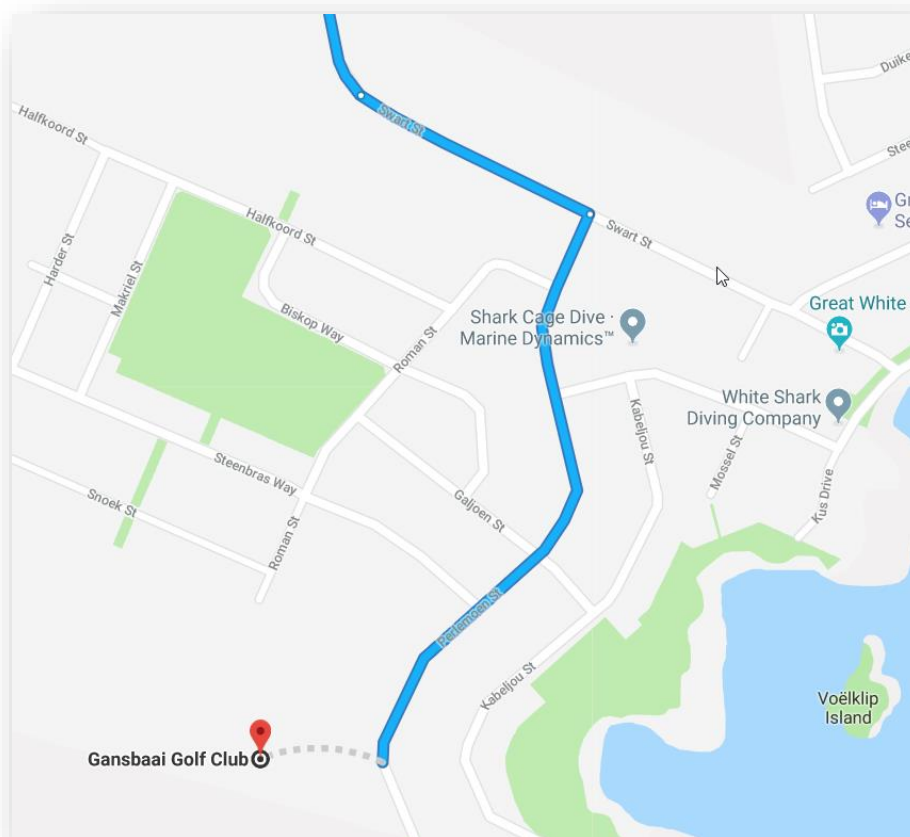

Directions

Gansbaai Golf Club is about a 40-minute drive from our accommodation.

From Hermanus take the R43, go through Stanford and De Kelders until you get to Gansbaai. Turn right into Main Road.

Follow the road and turn right into Perlemoen Road.

Kleinmond

Nestled in a uniquely beautiful natural landscape, the eco-friendly Kleinmond Golf Course envelops visitors in spectacular mountain and sea views in every direction. Being part of the Kogelberg Biosphere, a great variety of local wild life and rare indigenous Cape fynbos thrives here, making it a golfing venue without rival.

Whilst walking the fairways one can often see whales playing in the bay, notably from July to October. The course measures 5761 meters, with a par rating of 72 and a SAGU rating of 70. Different tees are used and the course provides for a challenging golfing experience all year round. Climatic conditions are excellent for most of the year.

Kleinmond is a 45-minute drive from our accommodation.

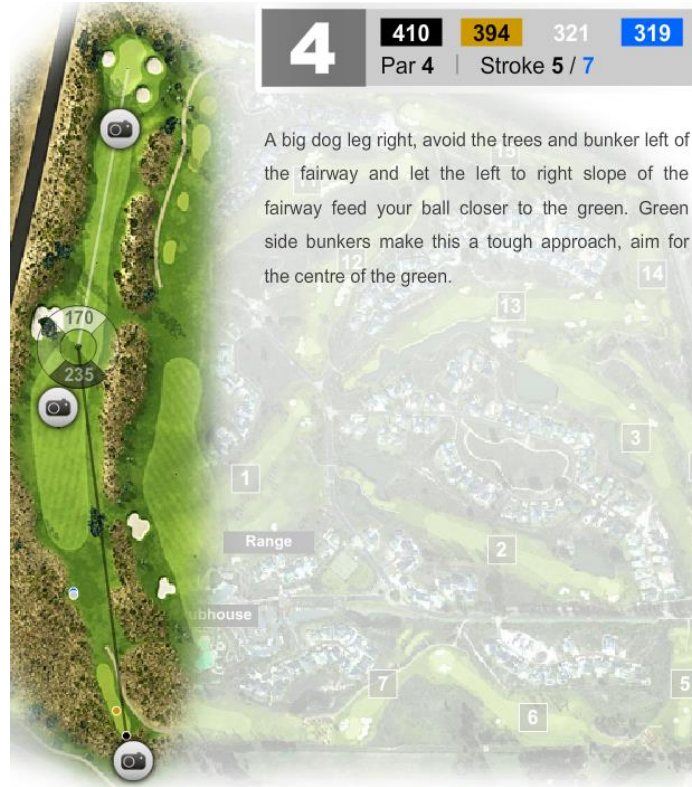

Arabella

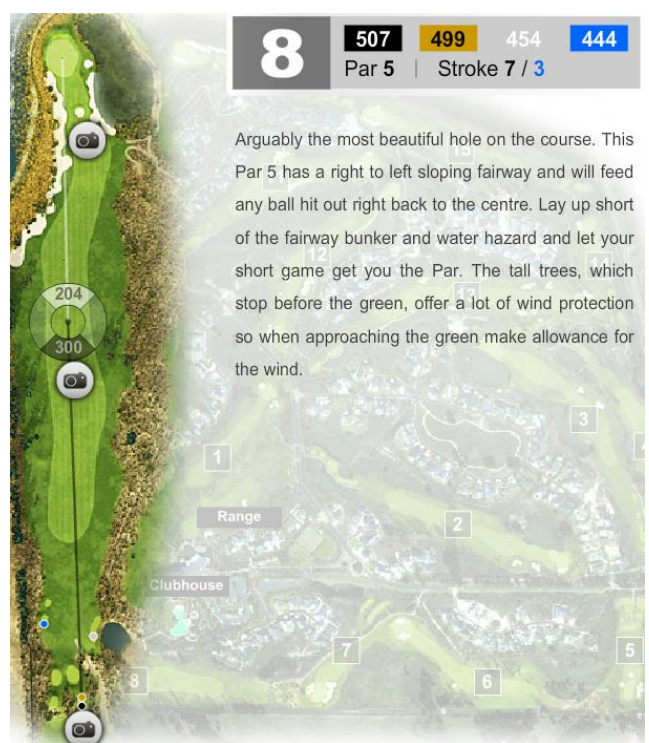

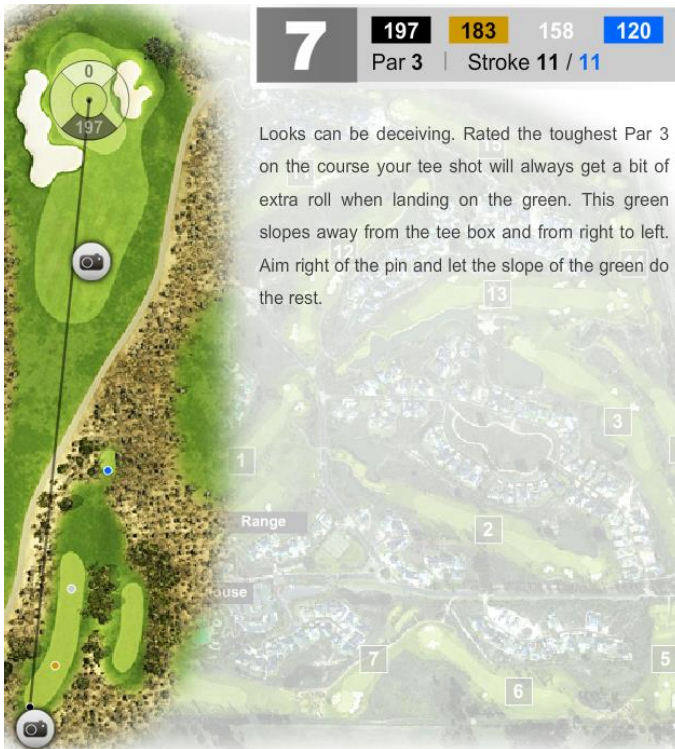

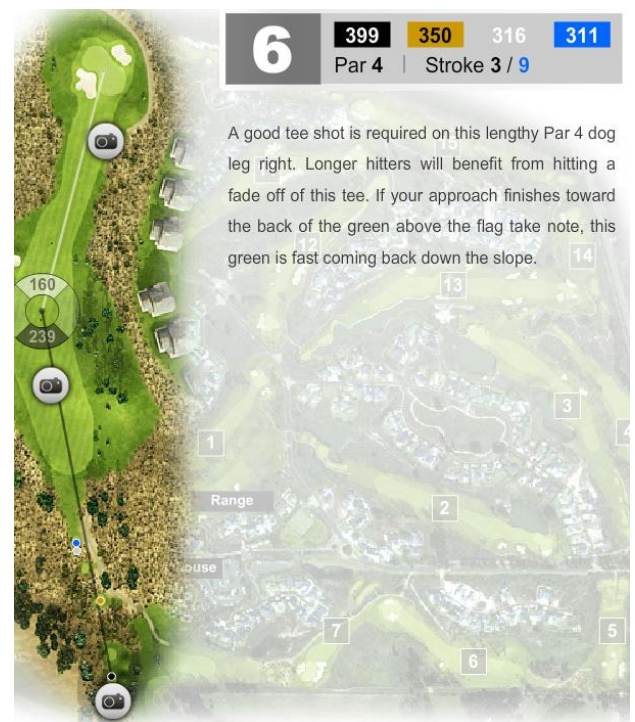

The Estate is home to one of the top ranked golf courses in South Africa, with pristine grass, tricky sand traps and challenging water hazards. Designed by Peter Matkovich, the golf course has been enjoyed by celebrities such as Samuel L. Jackson and professional golfers like Ernie Els and Gary Player.

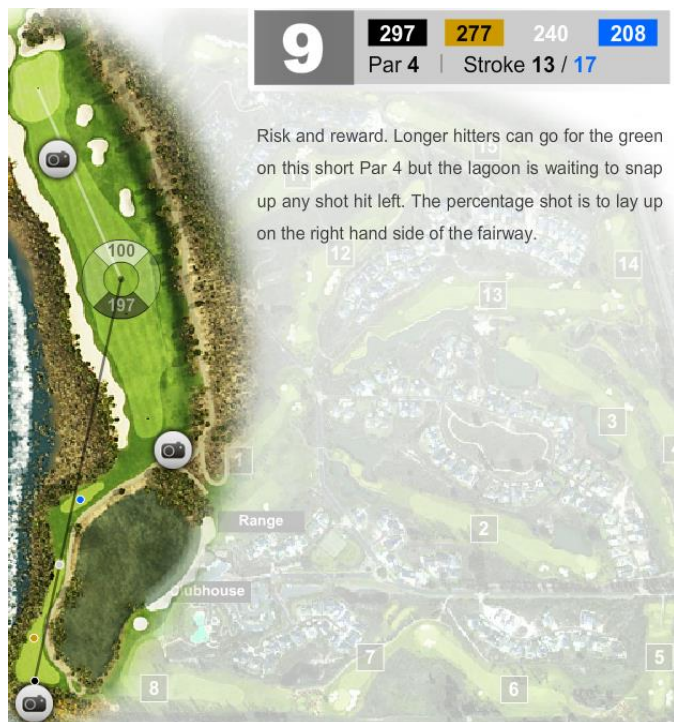

The fabled 18-hole, Par 72 Championship course has consistently been ranked in the top 10 courses in South Africa. The 8th hole has been described as one of the most beautiful par 5's in South Africa and the 18th hole was rated one of the finest finishing holes in the country.

Arabella is a 40-minute drive from our accommodation.

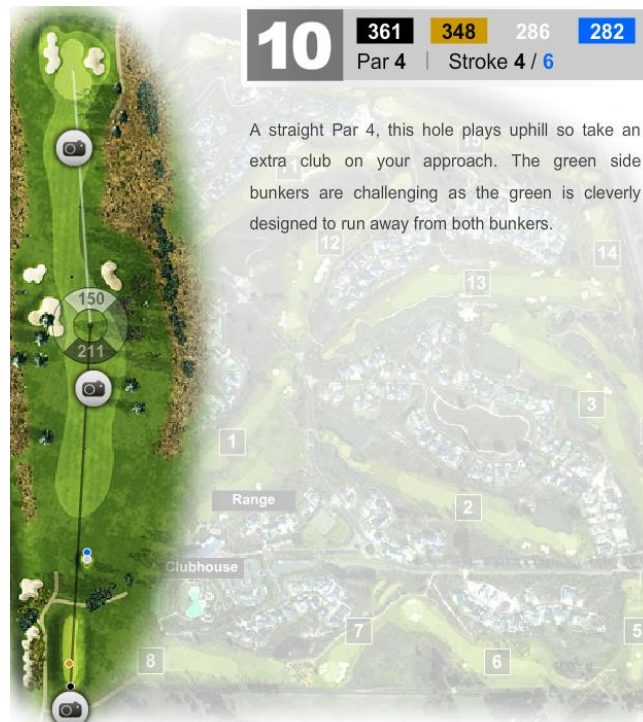

9

297 **277** 240 **208**
Par 4 | Stroke 13 / 17

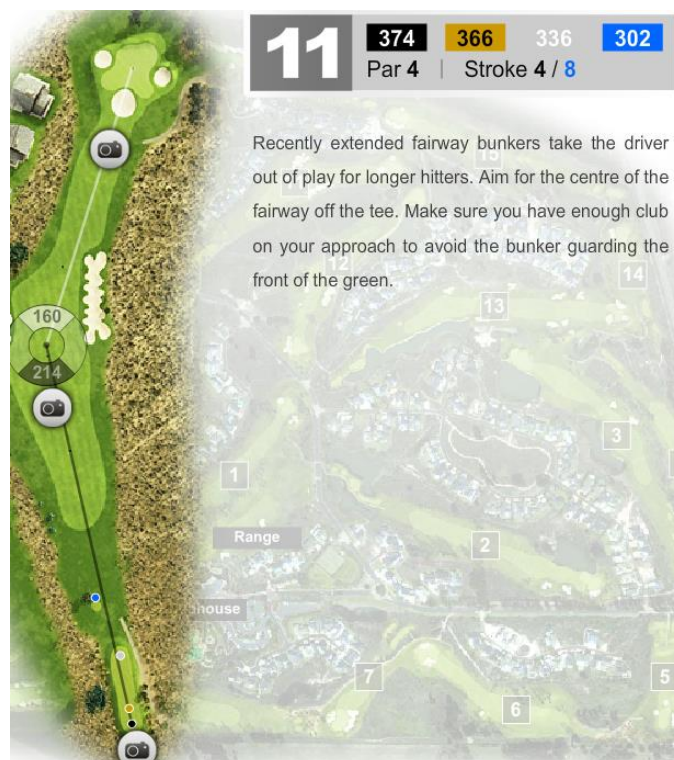

Risk and reward. Longer hitters can go for the green on this short Par 4 but the lagoon is waiting to snap up any shot hit left. The percentage shot is to lay up on the right hand side of the fairway.

10

361 **348** 286 **282**
Par 4 | Stroke 4 / 6

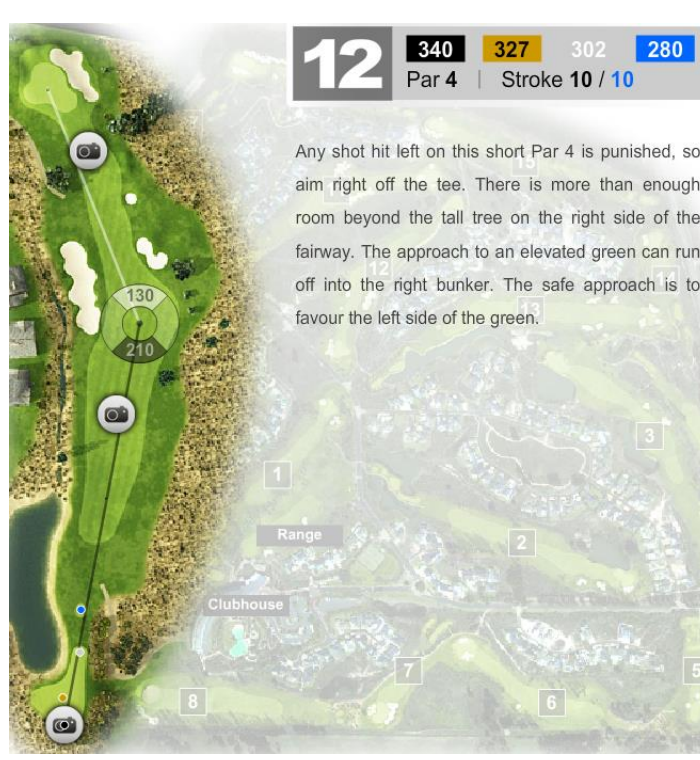

A straight Par 4, this hole plays uphill so take an extra club on your approach. The green side bunkers are challenging as the green is cleverly designed to run away from both bunkers.

11

374 **366** 336 **302**
Par 4 | Stroke 4 / 8

Recently extended fairway bunkers take the driver out of play for longer hitters. Aim for the centre of the fairway off the tee. Make sure you have enough club on your approach to avoid the bunker guarding the front of the green.

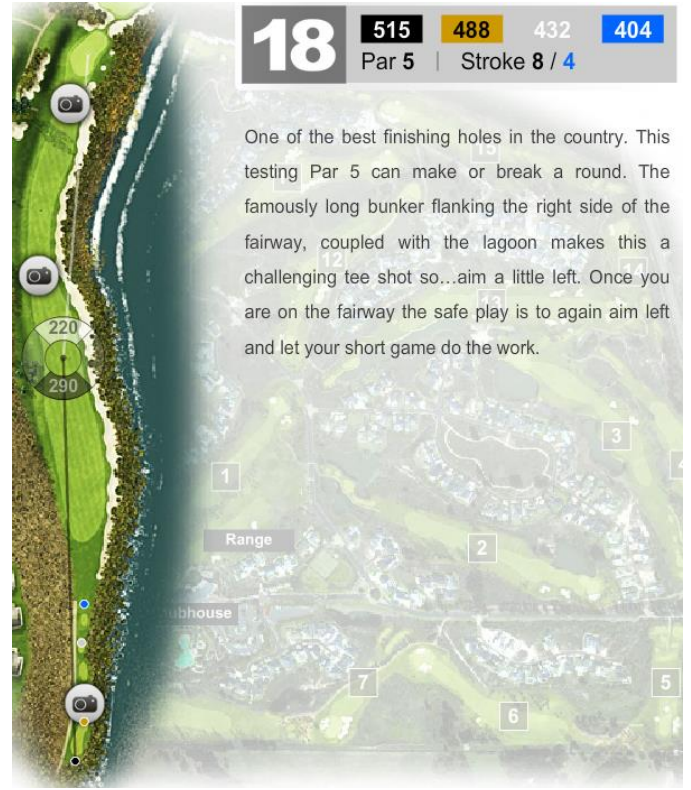

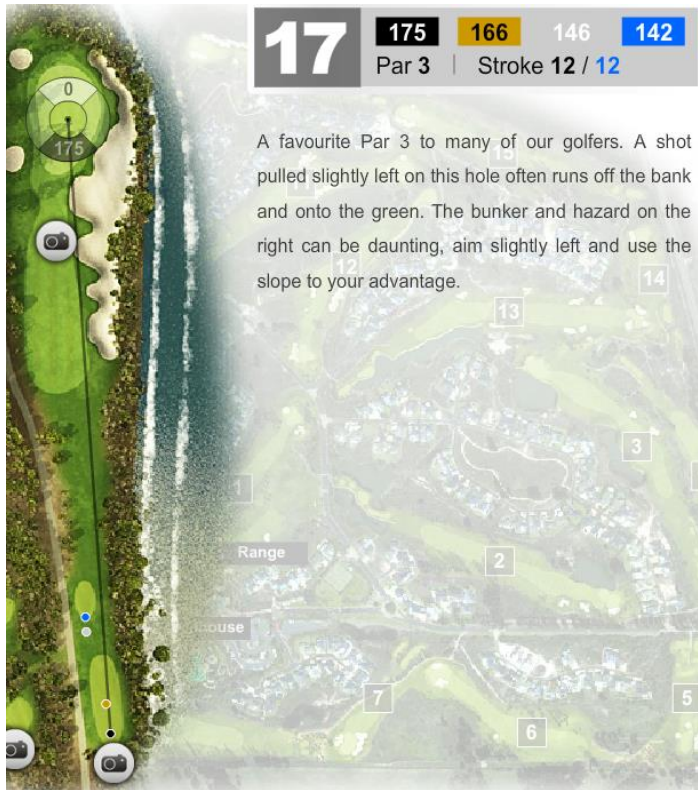

12

340 **327** 302 **280**
Par 4 | Stroke 10 / 10

Any shot hit left on this short Par 4 is punished, so aim right off the tee. There is more than enough room beyond the tall tree on the right side of the fairway. The approach to an elevated green can run off into the right bunker. The safe approach is to favour the left side of the green.

Hermanus Golf Club

Hermanus Golf Club is nestled at the foot of the Fernkloof Nature Reserve in the charming fishing town of Hermanus on the Cape South Coast. The Club features a 27-hole course, beautiful sea views and country charm.

Hole 1

Par 4 Stroke 13 310m

This dogleg left hole has bunkers situated on both sides of the fairway. The ideal drive is to the right-hand side of the fairway as this leaves a better angle to attack the two-tier green which is nestled in amongst pine trees and guarded by pot bunkers on both sides.

Hole 2

Par 5 Stroke 11 449m

This double dogleg hole with a picturesque backdrop calls for a tee shot up the right-hand side of the fairway. A lay-up short of the fairway bunkers leaves a fairly easy approach shot to a multi-tiered green.

Hole 3

Par 4 Stroke 3 385m

This hole, the longest par 4 on the course, has perfectly placed fairway bunkers to catch the big hitters. Hidden bunkers run down the left side of the fairway to a double green which is shared with the 12th hole which offers a great challenge due to its vast expanse.

Hole 4

Par 3 Stroke 15 144m

This par 3 in a lovely setting is well bunkered and has a 40m long elongated green making club selection critical.

Hole 5

Par 4 Stroke 5 354m

This tough par 4 has a double fairway. A drive coming to rest on the upper level provides a better view of the green while the lower level offering a more direct but demanding approach shot to an elevated, difficult green.

Hole 6

Par 5 Stroke 9 474m

The views of the bay from the tee of this hole are spectacular. Finding the fairway is imperative, anything less is presented with trouble as out of bounds looms on the right and one fairway bunker on the left. The backdrop of this hole is a majestic forest which casts shadows over the left to right sloping green making club selection very difficult.

Hole 7

Par 4 Stroke 1 370m

This hole plays as one of the most difficult on the course. A draw is called for off the tee to take the fairway bunkers on the right side of the fairway out of play. A fade into the undulating green is best to avoid the deep swales on the left.

Hole 8

Par 4 Stroke 7 329m

A well-positioned drive is required on this beautiful par 4 hole. Even with the out of bounds on the left of the fairway and a green well-guarded by a wildlife pond on the right and bunker to the left, this hole still presents birdie opportunities for the longer hitters.

Hole 9

Par 3 Stroke 17 133m

With bunkers surrounding the green and club selection being crucial the locals' advice would be to "aim for the heart of the green and don't worry about where the pin is positioned!"

Hole 10

Par 4 Stroke 6 338m

This dogleg right requires a drive aimed at the bunker on the left side of the fairway from where an accurate second is needed to avoid the bunkers on both the left and right sides of the green.

Hole 11

Par 5 Stroke 8 433m

This is the signature hole of the course. Players need to negotiate their way through a channel of mature trees to get to the green. A pot bunker is situated just short of the green ready to catch a wayward second shot to a four-tier green protected by bunkers on the left and a perilous drop on the right.

Hole 12

Par 4 Stroke 2 359m

This stroke 2 hole looks innocuous but isn't. The ideal tee shot is up the right-hand side of the fairway. The key to playing this hole well is to hit a good approach shot to the elevated green protected by bunkers both front and back. Don't be short!

Hole 13

Par 3 Stroke 10 152m

Magnificent views are available from the many teeing options this hole provides. Water guards the green on the right and a large bunker on the left provides for an intimidating tee shot often made more difficult by the prevailing wind.

Hole 14

Par 4 Stroke 4 332m

This deceptive hole holds lots of trouble for the big hitter. Humps on both sides of the fairway have been cunningly positioned making the channel that leads to the green very narrow, miss this channel and trouble welcomes you with open arms. The approach to this green should err on the short side as trouble awaits over the back of the green.

Hole 15

Par 4 Stroke 14 327m

Tees are located within an environmentally sensitive area. A cluster of fairway bunkers on the right of the hole tend to force players to the left towards a long, elongated fairway bunker. An undulating green is the only green on the course not protected by any bunkers.

Hole 16

Par 3 Stroke 16 159m

The mountain provides a superb backdrop to this deceptive short hole. A high floating iron is required so that the ball lands softly on the green. Cognisance of the wind needs to be taken as it can make this hole extremely testing.

Hole 17

Par 5 Stroke 12 443m

The tee shot on this par 5 is ideally played with a draw into the left-hand side of the fairway which helps avoid the bunkers on the right. This then sets up a long second into a green, notorious in its lack of bite. The green slopes from back to front.

Hole 18

Par 4 Stroke 18 273m

This magnificent finishing hole offers a definite birdie opportunity for the long hitters who want to risk attempting to drive the green. The fairway is generous but a small multi-tiered green, guarded by a water hazard to the right and bunkers on either side and behind, offers plenty of trouble if the green is missed.

Hole 19

Par 4 Stroke 2 387m

Straight away Par 4 with a generously wide Fairway. The Green is guarded by trees on the left and a bunker on the right. A two-tier Green that presents difficult to read putts from past the hole.

Hole 20

Par 4 Stroke 10 344

A straight tee shot is essential to avoid trees left and right of the Fairway. A tricky Green guarded by bunkers left and right requires an accurate mid- to short-iron approach.

Hole 21

Par 3 Stroke 16 140m

A shortish Par 3 uphill towards the mountain that has no bunkers. The Green is guarded by swales left and right and calls for creative chip shots to save Par.

Hole 22

Par 5 Stroke 4 468m

A classic 3 shot Par 5. The errant tee shot is gobbled up by the water hazards left and right. Players should try to lay up to their favourite approach distance to a multi-tier Green guarded by a bird rich water hazard left and a swale and bunker on the right. A classic hole.

Hole 23

Par 4 Stroke 8 331m

The tee shot needs to be positioned short of the water hazard crossing the Fairway leaving a medium to short iron to a Green with bunkers left and right. The easier approach is from the right of the Fairway, but taking this line brings the water hazard into play.

Hole 24

Par 3 Stroke 18 142m

A delightful short hole with the Green shaped like the map of Africa and guarded by a pot bunker on the left. If you are going to miss the Green, do it on the right as this leaves a much easier chip shot.

Hole 25

Par 4 Stroke 12 318m

A dogleg right with a pine forest and bunkers on the right. An accurate tee shot leaves a mid- to short-iron approach to a narrow tricky Green with a nasty bunker on the left. Putts from behind the flagstick must be carefully studied as the Green is very deceptive.

Hole 26

Par 4 Stroke 14 303m

Short, innocently looking Par 4. Longer hitters can have a go at the Green, but the wise player will lay up to his favourite approached length as the severely undulating Green is more receptive to full shots than short pitches. The Green is surrounded by a horseshoe shaped bunker and an ecological wetland preserve.

Hole 27

Par 5 Stroke 6 488m

The walk to the 27th tee takes one through an ecological area that is a riot of colour at certain times of the year. Look out for sunbirds. Definite risk and reward Par 5 with a generously wide Fairway to the advantage of the long hitter. The lateral hazards left and right and the divided Fairway make calculated tactical decisions necessary. The two-tier, well bunkered Green makes a great finish to a splendid golf hole.
